

21 June 2023, Rende (CS)

Certificate of a Guest Researcher

To whom it may concern

This is to certify that MD EMAN TALUKDER, male, from Bangladesh, born on 1st March 1992, guest Ph.D. researcher at the Institute on Membrane Technology of the Italian National Research Council (ITM-CNR), Rende-CS, Italy.

In the period December 1, 2021 to November 29, 2022, he has carried out a research activity on “Membrane preparation and Application for water and protein separation”, under my supervision, within the doctoral thesis “The adjustment and controlling of pore structure and size distribution on polymer membranes and its applications in wastewater treatment, macromolecule separation and the biomedical field” from Shenzhen institute of Advanced Technology, Chinese Academy of Sciences, China.

From November 30, 2023 to April 30, 2023, he has conducted again another research activity for elaborating articles and finalizing the experiments, as a short term research fellow under my supervision.

Sincerely

Dr. Alberto Figoli
Director
Institute on Membrane Technology (ITM-CNR)
National Research Council of Italy
